

Just Dance Tournament

Overview: This resource pack has been designed to provide everything that a teacher needs to run their own school Just Dance tournament.

Resource formats: tournament guide detailing step-by-step delivery of the tournament in PDF format and presentations, worksheets and reference sheets in PDF and PPT format (with separate video files where appropriate).

Session	Delivery	Content Overview	Software Required
Introduction to esports	1 hour	This optional pre-tournament session offers the opportunity for students to explore a little about what an esports tournament is and create their own team name and logo in preparation for the school Just Dance tournament.	Internet browser
Just Dance tournament	2.5 hours	Assuming 32 competitors the tournament will take around 2.5 hours. This is assuming that each team will compete against one other team in each bracket. Alternatively, if resources allow, you can run the brackets with more teams taking part at the same time to reduce the time each round required.	Google Sheets or Microsoft Excel Internet Browser Just Dance Now downloaded to teacher smart phone and competitors devices.
